

About Hampton Arts League

The Hampton Arts League is a membership organization for regional artists offering arts programs of interest as well as a discount on art classes and programs, invitations to our Opening Reception for exhibitions, and other special events. The HAL membership has grown from 81 in 1998 to 300+ today. Monthly meetings feature programs such as artist lectures, demonstrations, gallery talks, and critiques. Members may also participate in our Tuesday Morning Painters, an open studio where members can draw or paint independently while enjoying the camaraderie of other artist members. Our HAL Open Members Exhibition gives members an opportunity to exhibit one of their artworks, in any media in our galleries and compete for \$850 in cash awards. Members also receive emails about exhibitions, early bird class registration, events, and other arts programs of special interest.

Membership Levels: \$40 individual memberships for artists of all ages, \$60 couple memberships, and \$80 family memberships
